CITY HOSTS RIBBON CUTTING FOR NEW RECYCLING CENTER

(Greenville SC) City Council member Amy Ryberg Doyle hosted a ribbon cutting ceremony this morning to celebrate the official opening of the City's new recycling center. The North Greenville Recycling Center is located at 514 Rutherford Road and is open from 7:00 a.m. – 8:00 p.m. seven days a week. The center accepts mixed paper/cardboard, aluminum, steel, glass and plastic and features an on-site educational facility for field trips, meetings and workshops.

The land that the center is located on was donated to the City and most of the work was done by City employees. Several community partners also played an important role in the new center, including Greenville Hospital System, which donated fill dirt; Michelin, which donated an air compressor; and Glidden, which donated paint for the center. The City also received a \$5,000 grant from the Home Depot Foundation for the center.
